Mapping of Colleges
Galla Shri Jayadev

Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether the Ministry has completed mapping of colleges and universities in the country;
(b) if so, whether the private colleges and universities are also included in the mapping;
(c) if so, the details thereof, college and university-wise and the parameters adopted in mapping colleges and universities;
(d) whether there is any move to map schools in the country on the lines of colleges and universities; and
(e) if so, the details thereof?

Answer

MINISTER OF HUMAN RESOURCE DEVELOPMENT
(SMT. SMRITI ZUBIN IRANI)

(a): The Ministry has launched 'Know Your College' portal on 11th November, 2014 to support the students who wish to get an admission in the college of their choice by mapping of colleges and universities in the country.
(b): Yes Madam, the private colleges and universities are also included in the mapping.
(c): The details of the institutions are at Annexure. The Know your college portal provides the details of courses, laboratories, faculty, library, availability of hostels, status of Ombudsman and anti ragging facilities in the colleges and universities.
(d) & (e): To ensure universal access to schools including secondary schools within a reasonable distance of any habitation and without any discrimination, the Geographic coordinates of schools are uploaded on the school GIS Web enabled platform i.e. http://schoolgis.nic.in. So far, coordinates of 74.55% of schools have been received from the States. This mapping has been linked to the UDISE data base to ensure that every school is mapped and is backed by a detailed school report card based on UDISE information."
